

Annual General Meeting & Open Day

Wednesday 24 September 2008
Goodison Park, Everton F.C - 09.30 – 15.30

Welcome!

We are delighted to welcome you to our first joint Annual General Meeting and Open Day – we hope you have an interesting, informative and most of all, enjoyable day.

The AGM in the Captain's Table will look at the Trust's performance over the last financial year together with its strategic vision and priorities for the year ahead. Presentations will be delivered by the Trust's Chief Executive, Chair and Director of Finance. The Annual Report for 07/08 will also be available at the AGM and we hope you can join us for this important first part of the day.

Our Open Day in the Marquee in the Park celebrates 60th years of the NHS and to commemorate this special occasion; we have also invited VIP guests who are celebrating 60th anniversaries of their own to join us and to enjoy a slice of celebratory cake!

This event promises to be a fantastic day with lots of fun and entertainment for all. We have in excess of 20 displays to visit, and plenty of opportunities to find out more about healthy living. The Open Day is a great way to find out about the vast range of services North West Ambulance Service has to offer which includes both our emergency and non-emergency work as well as a growing number of public health campaigns and services.

We would like to thank our partner organisations for their presence today, and also the local companies whose generous contributions have helped make today's event possible.

We hope you enjoy your day.
